Independent Auditors' Report

To the Board of Directors of Apex International Co., Ltd.:

Opinion

We have audited the consolidated financial statements of Apex International Co., Ltd. and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of June 30, 2021, the consolidated statements of comprehensive income for the three months and six months ended June 30, 2021, changes in equity and cash flows for the six months ended June 30, 2021, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at June 30, 2021, and its consolidated financial performance for the three months and six months ended June 30, 2021, and its consolidated cash flow for the six months ended June 30, 2021 in accordance with the Regulation Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34 "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audit in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Other Matter

The consolidated financial statements as of and for the six months ended June 30, 2020 were reviewed by us and we issued a review report with an unqualified conclusion on those financial statements on August 11, 2020. A review is substantially less in scope than an audit and consequently does not enable us to obtain assurance that we become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significant in our audit of the consolidated financial statements for the six months ended June 30, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Revenue recognition

Please refer to note 4(n) "Recognition of Revenue" of the consolidated financial statements for the year ended December 31, 2020 for accounting policy related to revenue recognition, and note 6(r) for the information related to revenue of the consolidated financial statements.

Description of key audit matter:

The Group entered into agreements or sales orders, with different terms and conditions, with its major customers, which increase the complexity of the timing of revenue recognition. Therefore, the revenue recognition was considered to be one of the key audit matters in our audit.

How the matter was addressed in our audit:

Our audit procedures included:

- Assessing and testing the design, as well as the effectiveness of the operation on the control over sales and collection cycle.
- Performing comparison analysis on sales of the current period to last period and the latest quarter, and performing trend analysis on operating income from each top ten customer to assess the existence of any significant exceptions, and further identify and analyze the reasons if there is any significant exception.
- · Performing test-of-detail of sales for the six months ended June 30, 2021, to assess the assertions of existence and accuracy, as well as the appropriateness of recognition.
- · Performing sales cut-off test of a period before and after the financial position date by vouching relevant documents of sales transactions to determine whether sales of goods, sales returns and allowances have been appropriately recognized.

2. Subsequent measurements of inventories

Please refer to note 4(h) "Inventories" and note 5(a) of the consolidated financial statements for the year ended December 31, 2020 for accounting policy related to subsequent measurements of inventories, and accounting assumptions and estimation uncertainties of inventories, respectively. Please refer to note 6(e) for information related to impairment of inventories of the consolidated financial statements.

Description of key audit matter:

Inventories of the Group are measured at the lower of cost and net realizable value. The fair value of inventories is vulnerable to the impact of highly competitive market of printed circuit board. Furthermore, high price volatility on raw material this year is likely to increase the risk of loss on market price decline, and as a result, overestimation of the subsequent measurement of inventories is more likely to occur. Therefore, the subsequent measurements of inventories was considered to be one of the key audit matters in our audit.

How the matter was addressed in our audit:

Our audit procedures included:

- · Assessing whether appropriate provision policies for inventories are applied.
- Assessing whether the Group's subsequent measurement of inventories has been evaluated in accordance with the Group's provision policy on a consistent basis.

- Obtaining aging analysis of inventories, assessing the appropriateness of provision set aside for obsolete and slow-moving inventories, and examining relevant documents to verify the accuracy of the aging period.
- Obtaining evaluation report of the net realizable value of inventories, assessing the appropriateness of provision set aside for loss on market price decline, and examining relevant documents to verify the accuracy of sales prices and calculation of net realizable value.

3. Impairment of goodwill

Please refer to note 4(m) "Impairment of non-derivative financial assets" and note 5(b) of the consolidated financial statements for the year ended December 31, 2020 for accounting policy related to impairment of goodwill, and accounting assumptions and estimation uncertainties of impairment of goodwill, respectively. Please refer to note 6(i) "Intangible assets" for description related to measurements of impairment of goodwill of the consolidated financial statements.

How the matter was addressed in our audit:

Goodwill arising from the Merger & Acquisition transaction taken by the Group. Due to the assessment of impairment of goodwill invloved forecasting and discounting future cash flows along with several key assumptions, such key assumptions and assessment subject to the management's judgements and the inherent uncertainty is considered as high. Therefore, the impairment of goodwill was considered to be one of the key audit matters in our audit.

Our principal audit procedures included:

- Obtaining the evaluation report from the external expert and assessing the objectivity and the professional competence of the external expert.
- Assessing the reasonableness of the cash flows forecast and engaging the internal expert to assess the methods, discount rate and other assumptions applied in the evaluation report.
- · Performing retrospective testing over the future cash flows forecast compiled by the management.
- · Performing sensitivity analysis of key assumptions to understand the impact of recoverability from changing of key assumptions.
- Assessing whether the goodwill is impaired, if so, whether the impairment loss has been recognized appropriately.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulation Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34 "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee or supervisors) are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the six months ended June 30, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Min-Ju Chao and Chun-Hsiu Kuang.

APEX INTERNATIONAL CO., LTD. AND SUBSIDIARIES

Notes to the Consolidated Financial Statements

June 30, 2021 and 2020

(Expressed in Thousands of New Taiwan Dollars, Unless Otherwise Specified)

(1) Company history

Apex International Co., Ltd. (the "Company") was established in the Cayman Islands on October 28, 2009. The main purpose of the establishment, which resulted from organizational restructuring, was to apply for emerging stock registration on the Taipei Exchange (TPEx) in the Republic of China. After restructuring, the Company became the holding company of Apex Circuit (Thailand) Co., Ltd. (Apex Circuit (Thailand)), which is located in Thailand, and became a listed company on the TPEx in the Republic of China (R.O.C.) on October 18, 2011. The Company then changed its listing from the TPEx to the Taiwan Stock Exchange (TWSE) in the R.O.C. on September 8, 2015. Apex Circuit (Thailand) mainly manufactures and sells electronic printed circuit boards. For the related information, please refer to note 14 of the consolidated financial statements for the year ended December 31, 2020. The Company and its subsidiaries are hereinafter referred to as the Group.

(2) Approval date and procedures of the consolidated financial statements:

The consolidated financial statements were authorized for issuance by the Board of Directors on August 19, 2021.

(3) New standards, amendments and interpretations adopted:

(a) The impact of the International Financial Reporting Standards ("IFRSs") endorsed by the Financial Supervisory Commission, R.O.C. which have already been adopted.

The Group has initially adopted the following new amendments, which do not have a significant impact on its consolidated financial statements, from January 1, 2021:

- Amendments to IFRS 4 "Extension of the Temporary Exemption from Applying IFRS 9"
- Amendments to IFRS 9, IAS39, IFRS7, IFRS 4 and IFRS 16 "Interest Rate Benchmark Reform—Phase 2"

The Group has initially adopted the following new amendments, which do not have a significant impact on its consolidated financial statements, from April 1, 2021:

- Amendments to IFRS 16 "Covid-19-Related Rent Concessions beyond June 30, 2021"
- (b) The impact of IFRS issued by the FSC but not yet effective

The Group assesses that the adoption of the following new amendments, effective for annual period beginning on January 1, 2022, would not have a significant impact on its consolidated financial statements:

• Amendments to IAS 16 "Property, Plant and Equipment – Proceeds before Intended Use"

Notes to the Consolidated Financial Statements

- Amendments to IAS 37 "Onerous Contracts—Cost of Fulfilling a Contract"
- Annual Improvements to IFRS Standards 2018–2020
- Amendments to IFRS 3 "Reference to the Conceptual Framework"
- (c) The impact of IFRS issued by IASB but not yet endorsed by the FSC

The following new and amended standards, which may be relevant to the Group, have been issued by the International Accounting Standards Board (IASB), but have yet to be endorsed by the FSC:

| Standards or Interpretations | Content of amendment | Effective date per IASB |
|---|---|-------------------------|
| Amendments to IAS 1 "Classification of Liabilities as Current or Non-current" | The amendments aim to promote consistency in applying the requirements by helping companies determine whether, in the statement of balance sheet, debt and other liabilities with an uncertain settlement date should be classified as current (due or potentially due to be settled within one year) or non-current. The amendments include clarifying the classification requirements for debt a company might settle by converting it into equity. | January 1, 2023 |
| Amendments to IAS 1 "Disclosure of Accounting Policies" | The key amendments to IAS 1 include: requiring companies to disclose their material accounting policies rather than their significant accounting policies; clarifying that accounting policies related to immaterial transactions, other events or conditions are themselves immaterial and as such need not be disclosed; and clarifying that not all accounting policies that relate to material transactions, other events or conditions are themselves material to a company's financial statements. | January 1, 2023 |

Notes to the Consolidated Financial Statements

| Standards or | | Effective date per | | |
|---|--|--------------------|--|--|
| <u> </u> | Content of amendment | IASB | | |
| Amendments to IAS 8 "Definition of Accounting Estimates" | The amendments introduce a new definition for accounting estimates: clarifying that they are monetary amounts in the financial statements that are subject to measurement uncertainty. | January 1, 2023 | | |
| | The amendments also clarify the relationship between accounting policies and accounting estimates by specifying that a company develops an accounting estimate to achieve the objective set out by an accounting policy. | | | |
| Amendments to IAS 12 "Deferred Tax related to Assets and Liabilities arising from a Single Transaction" | The amendments narrowed the scope of the recognition exemption so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. | January 1, 2023 | | |

The Group is evaluating the impact of its initial adoption of the abovementioned standards or interpretations on its consolidated financial position and consolidated financial performance. The results thereof will be disclosed when the Group completes its evaluation.

The Group does not expect the following other new and amended standards, which have yet to be endorsed by the FSC, to have a significant impact on its consolidated financial statements:

- Amendments to IFRS 10 and IAS 28 "Sale or Contribution of Assets Between an Investor and Its Associate or Joint Venture"
- IFRS 17 "Insurance Contracts" and amendments to IFRS 17 "Insurance Contracts"

(4) Summary of significant accounting policies:

(a) Statement of compliance

These consolidated financial statements have been prepared in accordance with the preparation and guidelines of IAS 34 "Interim Financial Reporting" which are endorsed and issued into effect by FSC, and do not include all of the information required by the Regulations and International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations and SIC Interpretations endorsed and issued into effect by the FSC (hereinafter referred to IFRS endorsed by the FSC) for a complete set of the annual consolidated financial statements.

Except the following accounting policies mentioned below, the significant accounting policies adopted in the consolidated financial statements are the same as those in the consolidated financial statement for the year ended December 31, 2020. For the related information, please refer to note 4 of the consolidated financial statements for the year ended December 31, 2020.

Notes to the Consolidated Financial Statements

(b) Basis of consolidation

Principles of preparation of the consolidated financial statements are the same as those of the consolidated financial statements for the year ended December 31, 2020. For the related information, please refer to note 4(c) of the consolidated financial statements for the year ended December 31, 2020.

List of subsidiaries in the consolidated financial statements is as follows:

| | | | Percentage of ownership (%) | | | | | |
|-------------------------|--|-----------------------------|-----------------------------|-------------------|------------------|--|--|--|
| Name of investor | Name of subsidiary | Business activities | June 30, 2021 | December 31, 2020 | June 30, 2020 | | | |

Subsidiaries which are not included in the consolidated financial statements: None.

(c) Employee benefits

The pension cost in the period was calculated and disclosed on a year-to-date basis by using the actuarially determined pension cost rate at the end of the prior fiscal year and adjusted for significant market fluctuations since that time and for significant curtailments, settlements, or other significant one-time events.

(d) Income taxes

The income tax expenses have been prepared and disclosed in accordance with paragraph B12 of International Financial Reporting Standards 34, Interim Reporting.

Income tax expenses for the period are best estimated by multiplying pre-tax income for the interim reporting period using the effective annual tax rate as forecasted by the management, and any resulting current and deferred tax expense should be recognized accordingly.

Temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases shall be measured based on the tax rates that have been enacted or substantively enacted at the time of the asset or liability is recovered or settled and be recognized directly in equity or other comprehensive income as tax expense.

Notes to the Consolidated Financial Statements

(5) Significant accounting assumptions and judgments, and major sources of estimation uncertainty:

The preparation of the consolidated financial statements in conformity with the Regulations and IFRSs (in accordance with IAS 34 "Interim Financial Reporting" and endorsed by the FSC) requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The preparation of the consolidated financial statements, estimates and underlying assumptions are reviewed on an ongoing basis which are in conformity with the consolidated financial statements for the year ended December 31, 2020. For related information, please refer to note 5 of the consolidated financial statements for the year ended December 31, 2020.

(6) Explanation of significant accounts:

Except for the following, the preparation of the consolidated financial statements are in conformity with the consolidated financial statements for the year ended December 31, 2020. For the related information, please refer to note 6 of the consolidated financial statements for the year ended December 31, 2020.

The Group applies the simplified approach to provide for its expected credit losses, i.e. the use of lifetime expected loss provision for all receivables. To measure the expected credit losses, trade receivables have been grouped based on the regions that customers stand for, shared credit risk characteristics and the days past due, as well as incorporated forward looking information, including macroeconomics and relevant industry information.

Notes to the Consolidated Financial Statements

The Group tested the majority of the idle machinery for impairment and estimated the differences between the book value and the recoverable amount. The impairment loss recognized was as follows:

| | For the thre | For the three months ended June 30 | | onths ended |
|-----------------|-----------------|------------------------------------|-------|-------------|
| | ended Ju | | | 30 |
| | 2021 | 2020 | 2021 | 2020 |
| Impairment loss | \$ 4,255 | 4,229 | 8,221 | 7,417 |

The Group used fair value less selling cost to calculate the recoverable amount as the basis to measure the impairment of the idle property, plant and equipment.

Please refer to note 6(s) for the amount of interest expenses capitalized.

Please refer to note 8 for more information on the collateral for loans.

The goodwill amounted to THB 125,176 thousand for the group arising from the acquisition of APS at January 1, 2020 is mainly attributed to utilizing the current capacity of APS, so that diversification of products is achieve for the Group. According to IFRS 36, impairment test on goodwill arise from business combination should at least be performed annually. For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units, that are expected to benefit from the synergies of the combination. APS itself is a separate cash-generating unit that can generate independent cash inflows; therefore, goodwill is tested for impairment by comparing the recoverable amount of APS with its carrying amount to determine whether an impairment loss should be recognized.

The external expert report regarding to asset impairment test issued by an expert engaged by the Group had been prepared based on the APS's financial forecast covering 2021 to 2025. The projection of operating revenue over the forecast period was made based on the geographical location and product types. Therefore, the consolidated financial statements mainly evaluate and illustrate whether the actual operating revenue and gross profit margin achieves the forecast operating revenue and gross profit margin for the six months ended June 30, 2021. For the six months ended June 30, 2021, the actual operating revenue was higher than projected; however, the gross profit margin was lower than the forecast due to the increase of the price of raw material at the end of 2020.

Based on the result of value-in-use calculation, the recoverable amount of APS of THB 512,342 thousand, which is higher in comparison to the book value. Therefore, no impairment is recognized.

The recoverable amount of APS had been determined based on a value in use calculation. The calculation uses pre-tax cash flow projections based on financial budgets approved by management covering a five-year period. Cash flows beyond the five-year period are extrapolated into the future using the estimated growth rate described below. The key assumptions used in the value in use calculation are as follows:

- (i) Projections on the cash flows are based on historical experience, actual operational results, and corporate strategic plans for the following five years.
- (ii) The after-tax discount rate is based on the Group's weighted-average cost of capital. As of April 30, 2021, the adopted discount rate is 13.20%

The discount rate was a pre-tax measure based on the rate of 10-year government bonds issued by the Thailand government in the relevant market and in the same currency as the cash flows, adjusted for a risk premium to reflect both the increased risk of investing in equities generally and the systemic risk of the specific CGU.

Notes to the Consolidated Financial Statements

Five years of cash flows were included in the discounted cash flow model. A long-term growth rate into perpetuity has been determined as the lower of the nominal GDP rates for the countries in which the CGU operates and the long-term compound annual EBITDA growth rate estimated by management.

Budgeted EBITDA was based on expectations of future outcomes taking into account past experience, adjusted for the anticipated revenue growth. Revenue growth was projected taking into account the average growth levels past experience and the estimated sales volume, and price growth for the next five years.

(i) Issuance of common stock

In the six months ended June 30, 2020, the third convertible bondholders converted bonds into common stock, and of which 897 thousand shares were converted at par value, amounting to \$8,971 thousand. Registration processes in relation to the bond conversion have been completed.

(ii) Distribution of earnings

According to the Articles of Association, if the Company is profitable during the given accounting year, then the Company is allowed to set aside a maximum amount of 2% of its net profit as remuneration to employees, directors, and supervisors. However, when experiencing a cumulative loss, the Company shall first appropriate a reserve amount to offset the cumulative loss. The Company's estimated remuneration for employees, directors and supervisors for the six months ended June 30, 2021 and 2020 was \$0 thousand and \$360 thousand, respectively. Should there be difference between the actual distribution amount that was resolved by shareholders' meeting and the estimated amount, it will be regarded as changes in accounting estimates and errors, and it will be adjusted in the Company's profit or loss for the given year.

On March 3, 2021, the employee remuneration, as well as remuneration to directors and supervisors of \$0 thousand and \$720 thousand, respectively, which were approved during the Company's Board of Directors meeting, were the same as those recognized in the 2020 financial statements. On July 2, 2021, the distribution of earnings were approved during the shareholders' meeting. The related information is available on the Market Observation Post System website.

On July 2, 2021 and On June 5, 2020, the shareholder's meetings resolved to appropriate the 2020 and 2019 earnings. These earnings were appropriated as follows:

| | 2020 | 2019 |
|--|---------------|---------|
| Dividends distributed to ordinary shareholders | | |
| Cash | \$ 569,814 | 569,799 |

Notes to the Consolidated Financial Statements

On June 30, 2020, the distribution of 2019 earnings has yet to be paid, therefore recorded as dividend payable. As of June 30, 2021, electronic voting of the distribution of 2020 earnings has not reach the threshold of statutory resolution, therefore has yet to recorded as dividend payable. The related information about the earnings distributions that was resolved during the shareholder's meeting and board meeting is available on the Market Observation Post System website.

Notes to the Consolidated Financial Statements

(t) Financial instruments

Except for the following, there were no significant changes in the credit risk and interest rate risk the Group was exposed to. Please refer to note 6(t) of the 2020 consolidated financial statements for related information.

(i) Credit risk

1) Risk exposure

The book value of financial assets represents the maximum risk exposure.

2) Concentration of credit risk

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, the management also considers the statistical information on the Group's customer base, including the default risk of the industry and country in which customers operate. The Group's accounts receivable are obviously concentrated on three main customers, which accounted for 37%, 40% and 37% of the total amount of notes and accounts receivable as of June 30, 2021, December 31, 2020, and June 30, 2020, respectively. As of June 30, 2021, December 31, 2020, and June 30, 2020, the Group's accounts receivable concentrated on three main customers were \$1,327,950 thousand, \$1,455,501 thousand and \$1,170,525 thousand, respectively.

3) Credit risk of accounts receivable

Please refer to note 6(c) for information on credit risk of accounts receivable; and note 6(d) for details of other receivables. All of other receivables are considered to have low risk, and thus, the impairment provision recognized during the period was limited to 12 months expected losses.

The Group does not expect the cash flows included in the maturity analysis to occur significantly earlier or at significantly different amounts.

(iii) Currency risk

1) Currency risk exposure

The Group's significant exposure to foreign currency risk was as follows:

| | J | une 30, 2021 | | De | cember 31, 202 | .0 | | June 30, 2020 | |
|-----------------------|-------------------|------------------|-----------|---------------------|------------------|------------|------------------|------------------|-----------|

2) Sensitivity analysis

The Group's exposure to foreign currency risk arises from the translation of the foreign currency exchange gains and losses on cash and cash equivalents, trade and other receivables, loans and borrowings, and trade and other payables that are denominated in foreign currency.

A 5% strengthening of the NTD and THB against the USD as at June 30, 2021 and 2020, would have increased (decreased) net profit before tax for the six months ended June 30, 2021 and 2020, by \$45,000 thousand and \$(3,000) thousand, respectively. The analysis assumes that all other variables remain constant, and is performed on the same basis for 2020.

Notes to the Consolidated Financial Statements

3) Exchange gains and losses on monetary items

Due to the numerous types of functional currency of the Group, the Group disclose its exchange gains and losses of monetary items aggregately. The Company's exchange gains (losses), including realized and unrealized, were \$(14,535) thousand, \$(2,620) thousand, \$(32,031) thousand and \$38,767 thousand for the three months ended June 30, 2021 and 2020 and the six months ended June 30, 2021 and 2020, respectively.

(iv) Interest rate risk

Please refer to the notes on liquidity risk management and interest rate exposure of the Group's financial assets and liabilities.

The following sensitivity analysis is based on the exposure to interest rate risk for derivative and non-derivative financial instruments on the reporting date.

For variable-rate instruments, the sensitivity analysis assumes the variable-rate liabilities are outstanding for the whole year ended at the reporting date. The Group internally reported the increases / decreases in interest rates and the exposure to changes in interest rates of 0.25% to the Group's key management so as to allow key management to assess the reasonableness of the changes in interest rates.

If the interest rate had increased / decreased by 0.25%, the Group's net income would have decreased / increased by \$6,047 thousand and \$2,651 thousand for the six months ended June 30, 2021 and 2020, respectively, with all other variable factors remaining constant. This was mainly due to the Group's borrowing at variable rates.

(v) Fair value information

1) Categories and fair value of financial instruments

The Group's financial assets at fair value through profit or loss are measured at fair value on a recurring basis. The carrying amount and fair value of the Group's financial assets and liabilities, including the information on fair value hierarchy were as follows; however, except as described in the following paragraphs, for financial instruments not measured at fair value whose carrying amount is reasonably close to the fair value, and lease liabilities, disclosure of fair value information is not required:

Notes to the Consolidated Financial Statements

2) Valuation techniques and assumptions used in fair value determination

a) Non-derivative financial instruments

- i) The carrying amounts of the following short-term financial instruments approximate their fair values because of their short maturities and payment request or payment amount of future cash flow will not be changed due to timing difference, and the book value shall be estimate by the fair value's basis. This method applys to: cash and cash in bank, financial assets measured at amortized cost, notes and accounts receivable and payable, other receivables and payables, refundable deposits, other financial assets, short-term loans and payables for machinery and equipment.
- ii) Fair value of long-term debt, lease liabilities, and long-term payable is estimated using the present value of future cash flows discounted by the interest rates the Group may obtain for similar loans and lease payable. However, long-term debt is recognized by its book value because most of it has floating rates. Lease liabilities are calculated based on the fixed rate agreed in the lease contract or incremental borrowing rate. Long-term payable is calculated based on the weighted-average cost of capital (WACC). There were no significant differences between book value and discounted present value. Thus, long-term payable is recognized by book value.

b) Derivative financial instruments

Forward exchange contracts were usually estimated by the current forward exchange rates of the transaction banks.

(u) Financial risk management

There were no significant changes in the objectives and policies concerning the financial risks the Group was exposed to. Please refer to note 6(u) of the 2020 consolidated financial statements for related information.

(v) Capital management

The Group manages capital to safeguard the capacity to continue to operate, to continue to provide a return on shareholders, to maintain the interest of related parties, and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the dividend payment to the shareholders, reduce the capital for redistribution to shareholders, issue new shares, or sell assets to settle any liabilities.

The Group and other entities in the same industry use the debt-to-equity ratio to manage capital. This ratio is debt divided by equity. Debt is derived from the total liabilities on the balance sheet. Equity includes share capital, capital surplus, retained earnings and other equity.

Notes to the Consolidated Financial Statements

As at June 30, 2021, the Group's capital management strategy was consistent with the prior year as at December 31, 2020. The Group has to maintain the debt-to-equity ratio at a certain level according to the criteria set by a lender. The Group's debt-to-equity ratio as at June 30, 2021, December 31, 2020, and June 30, 2020, was as follows:

| | December 31, | | | | |
|----------------------|--------------|-------------|-----------|---------------|--|
| | Jui | ne 30, 2021 | 2020 | June 30, 2020 | |
| Net liabilities | \$ | 9,818,680 | 7,607,391 | 6,548,684 | |
| Total equity | \$ | 7,393,295 | 7,624,632 | 7,121,632 | |
| Debt-to-equity ratio | | 132.81 % | 99.77 % | 91.95 % | |

The debt-to-equity ratio as of June 30, 2021, December 31, 2020, and June 30, 2020 was within the limit set by the lender.

The quantitative data for Apex Circuit (Thailand), a subsidiary of the Company, used as a capital management tool in the relevant periods are summarized below:

Unit: thousands of THB

| | December 31, | | | | | |
